

# SANDERS FODDER SUMMER NEWSLETTER

## THINGS TO DO IN SUMMER

Refresh your supply of fly veils and insect repellent.

Herbicides and spray equipment available for weed control.

Keep offering mineral and salt licks to stock as it encourages water intake.

With all the long grass around you may require snake deterrents.

Check the quality and quantity of your animals' water supply. We have troughs and water cleaning products.

Electric fence equipment may be needed to strip graze your pasture.

### BAGGED PEA STRAW

less messy and a bit easier to spread  
in small garden areas  
\$12.90ea or 2 for \$24
