

# SANDERS FODDER

## AUTUMN NEWSLETTER

### THINGS TO DO IN AUTUMN:

A good time for worming your animals we have products in store.  
Herbicides and spray equipment available for weed control.  
Salt licks are advantageous to use while pasture grasses are dry and lacking in nutritional value.  
Fertilise your garden/lawn/veggies  
Seed orders for the coming crop / pasture seeding season can be taken now.

Get a **FREE** dog lead when you purchase **NEXGARD SPECTRA** - a monthly chew for complete parasite protection

Purchase a participating **PURINA** product to enter online at <https://www.nestlepromotions.com.au/purina-backyard-makeover>  
50 x \$100 gift cards also to be won

Sprouted seeds available for your caged birds or chickens. A nutritious and palatable addition to your bird's diet.
