

# SANDERS FODDER

## WINTER NEWSLETTER

### THINGS TO DO IN WINTER

Foxlights a predator deterrent can help protect new lambs.

Herbicides and spray equipment available for weed control.

Time for new dog coat or horse rugs? Check our range in store.

Rodents sometimes head inside when it gets wet, see our selection of bait and traps.

A good time to set up new electric fencing or alter your existing fencing system while the ground is softer!

### NEWS AROUND THE SHOP

Please note that we will be closed for the public holiday June 13th

We welcome Tegan and Kelsey to our team

Olivia has left us after 3 years as part of our team, we are sorry to see her go.

We will also miss Erin, our molasses, oil, and cider vinegar bottler who has also left us after many years. We wish them both well.
