

# SANDERS FODDER

## SPRING NEWSLETTER

### Things to do in Spring:

Time to mulch the garden. We have bales of pea straw.  
Herbicides and spray equipment available for weed control.

Fertilise with Neutrog organic fertilisers.

Replace animal bedding. We have straw, shelgrit, wood shavings, Proteq equine bedding (also good for kitty litter).

See our electric fencing range to set up strip grazing of lush spring pastures.  
We have grooming equipment in stock to assist with animals shedding their coats this springtime
