

# SANDERS FODDER

## SUMMER NEWSLETTER

Things to do in Summer:

Check troughs and water supplies

Flies, flies, flies !! repellents and flyveils in store.

Keep offering mineral and salt licks to stock as it encourages water intake.

Watch out for those slithery visitors - snake repellents in stock

Attend to horses grazing and feeding in sandy areas as pasture becomes shorter - ask us about sand colic preventatives

New salt licks in the  
Olsson's range:  
cattle 365  
cattle health - dry feed  
Ewe Beauty

New product  
Nexgard spectra spot-on  
for cats

Get regular feeder  
benefits with  
ProPlan
