

# SANDERS FODDER

## AUTUMN NEWSLETTER

### THINGS TO DO IN AUTUMN

In the garden: We have pea straw for mulching. Add Seamungus (100g) to your natives as the rains arrive to promote healthy new growth. Seamungus is also good to rejuvenate summer stressed lawns.

A good time to consider the worming needs of your cats and dogs, we have complete treatments for worms, mites and fleas in spot-on and chews. We also sell worming tablets individually.

Pasture improvement - see us about seeding options and fertilisers.

Herbicides available for weed control.

Get set up for rain, we sell Polymaster rainwater tanks.

Salt Licks for your animals contain the necessary minerals to supplement when they need it most.

#### NEW PRODUCT

Purina One cat food introductory offer of 3 FREE sachets of wet food when you buy dry food

Seed available now for crop/pasture improvement

POLYMASTER specials on feeders and troughs see catalogue in store
