

SANDERS FODDER

SUMMER NEWSLETTER

THINGS TO DO IN SUMMER

If you need to update troughs for adequate water supplies, we have a range in store
Be prepared with fly repellents, creams, sprays, veils and masks.

Keep offering mineral and salt licks to stock as it encourages water intake.

Lookout for snakes around this season, keep areas tidy and cut or spray excess grass growth.

Attend to horses grazing and feeding in sandy areas as pasture becomes less - ask us about sand colic preventatives

Everyday low price on
Supercoat 15-20 kg varieties
plus use the frequent buyer
program instore to get a FREE
bag after you purchase 5

**Gift vouchers for Christmas
presents**

**Ask us about Fibre
alternatives and
requirements for horse this
season with hay scarcity**
