

SANDERS FODDER

SUMMER NEWSLETTER

THINGS TO DO IN SUMMER

Be prepared with fly repellents, creams, sprays, veils and masks.
Lookout for snakes around this season - snake repellents in stock. Keep areas tidy and cut or spray excess grass growth. We have spray equipment and herbicides.
If you need to update troughs for adequate water supplies, we have a range in store along with additives to help keep water clear.
Keep offering mineral and salt licks to stock as it encourages water intake, check out our range

Enter via QR code [ins.store](#) when you spend \$75 on AMMO wormers or Energetic Isotonic. We have a pack to be won by one of our customers

Check out the selection of John Deere toys for Christmas

StalosanF powder
Disinfects, absorbs ammonia and odours
Protects against disease and eliminates parasites
Good for coops, hutches, stables, cages and more
